📍 London, UK/ Karachi, PK

Interdisciplinary venture-builder with 6+ years working at the intersection of low resource environments & markets across Asia, Africa & Europe. Co-founded CreditBook, Pakistan's first fintech investment led by Tiger Global (\$12.5M, Forbes 30u30) where I set up the product & design function, directly shaped strategy through research and grew ARR to \$600K in 6 months. Speaker on AI at Mobile World Congress 2025 amongst others.

EXPERIENCE

CreditBook Technologies, Pakistan | 2020- 2026

Co-Founder & Head of Design

- Founded & scaled product function for 100+ person fintech; secured \$12.5M in funding as Tiger Global's first investment in Pakistan
- Conducted contextual interviews, ethnographic research & behavioural data analysis across MSMEs to launch mobile ledger (~10,000 daily active users; 70% retention)
- Directed 3 months of research before while launching 2 digital products, strategic pivot & brand revamp that grew ARR from 0 to \$600K in 6 months
- Mentored designers & researchers with defined ways of working across data, engineering & product functions

School of International Futures, London | 2020- 2023

Foresight Practitioner

- Project manager and researcher for global clients including the WHO, ACCA, UK Gov Office of Science & Guys and St. Thomas' Hospital; facilitated foresight trainings with 6 cohorts of professionals & experts

UN Habitat, London | 2018- 2019

Researcher

- Focus on mobilising urban knowledge systems through insights gathered from ethnographic data; contributed to publication in Journal for Urban Research & Practice

IRENA, London | 2017- 2018

Analyst

- Contributed to publication on innovation across renewable energy systems by combining quant & qual data from Tanzania & Egypt's energy policy databases

Holland Fintech, Amsterdam | 2015- 2016

Researcher

- Researched & managed publications of emerging fintech trends in Europe and North Africa

EDUCATION

MPA Science, Technology & Public Policy (Distinction) | University College London, London

MSc Innovation & Entrepreneurship (Scholarship) | ESADE Business School, Barcelona

BSc (Hons) Politics, Philosophy and Economics | University of Warwick, Coventry
